Principal Advisory Council

The students have been invited to run for the Principal Advisory Group. The nominations will begin Monday and wrap up on Friday. Then the campaigning begins. Good luck to all of those who chose to run for a position.

Administrator's Message

This week, I'll be sending a message to our Grade 8 parents about an exciting cultural exchange opportunity to Ontario—stay tuned!

Our Breakfast Program is now in full swing. Huge thanks to Mrs. McKeever for her hard work and to our amazing parent volunteers. Parents are welcome to stop by in the mornings for a quick bite, coffee, tea, or just to see the program in action!

On Friday, we'll hold a whole school assembly (parents are invited) to recognize Truth and Reconciliation Day, celebrate student success, and discuss our school's conduct expectations. I'm personally looking forward to seeing a few of our staff take a leap and share their gifts in front of the whole school.

Lastly, we're thrilled about our assessment processes this year. On September 27th, students will take the EICS math assessment, which, alongside our SNAP assessments, will help us identify where support is needed and how to further challenge our excelling students. On Saturday, September 28th, we're hosting a flag football tournament—come cheer on our talented athletes!

Let's have a great week, and I hope to see you all there!

Important Information

Reminder that students are not to be using their cell phones throughout the day. They should remain in their lockers. Phones will be kept in the office if they are discovered being used.
