## Hour Zero

**Lockdowns** - are a response to threats of violence in the school. Once a lockdown is called, teachers close their doors and blinds. Students are moved to a more sheltered place in the classroom. Everyone remains in the lockdown until the Principal unlocks their doors and announces All Clear.

**Hold and Secure** - is used in response to security threats or criminal activity outside of the school. During a Hold and Secure, all entrance doors are locked, with no one permitted in or out of the building.

**\*\*No one, other than law enforcement, is permitted to access to the building until the Lockdown or Hold and Secure has been cleared.**

## Administrator's Message

Another busy week here at Percy Baxter! Over the weekend, we held our flag football tournament, and I'm happy to report it went really well. Our players did a fantastic job showcasing their skills and teamwork!

On Friday, we enjoyed our second whole-school assembly, which was an incredible experience. It was a wonderful opportunity to recognize the amazing kids in our school, and our staff even joined in on the fun, entertaining the students—it was a joy to watch!

Here are the **guiding principles** that our students helped choose, which is below. As we settle into the regular rhythm of school life, please encourage your kiddos to stay mindful of their behavior. It's important for them to avoid roughhousing, report any incidents immediately, and maintain boundaries—especially during recess. We've noticed some issues with personal space, and it's crucial that we work together to address this.

**Respect Others and our School Environment**  
**Follow School and Classroom Rules**  
**Be Kind and Have a Positive Attitude**

Wishing everyone a great week ahead!
